	<p>It was a nice and beautiful trip Hopefully you guys can organize more of these trips Little communications with others the first days and a lot in the end. More introduction to the other students It is really good project. It was really good experience, thank you. I love Turkey I like the experience and the culture. Thank you. I hope come back later. Yes its very interesting, the people are friendly. I would like to say thank you for your hospitality and kindness and also for an amazing week. Thank you for everything. More forced communication with other students would be nice. Its too easy to stay with people from your country.</p>
